NOTICE REGARDING ALLIANCE BOARD MEETINGS AND BOARD COMMITTEE MEETINGS

Taking into consideration the CDC, NC Department of Health and Human Services, and our local government’s recommendations on social distancing and measures taken across our catchment area to include travel bans, school closures, quarantines, and event cancellations, Alliance is taking the following measures until further notice.

Until further notice, there will be no in-person public attendance at Alliance public meetings. Only Alliance Board members and identified Alliance employees will be permitted to attend in person. All other attendees, participants, and members of the public may participate via electronic means only.

This is a temporary measure for the health and safety of everyone, as we collectively work through social distancing techniques and stay-at-home orders to prevent the spread of COVID-19. Please be aware that this guidance could change, as this is a rapidly evolving national and local health emergency.

Here is information to participate in the Alliance Board meeting on Thursday, October 6, 2022 at 4:00 pm:

• To participate via smart phone, computer or tablet, please register in advance at https://alliancehealthplan.zoom.us/meeting/register/tJ0vcOuprj8vE9Nae1RKp_i1RrmpZ2A82hQK

• To improve audio quality for all participants, please mute your device when you are not speaking and please unmute/speak only when recognized by the Board Chairperson.

Alliance uses county funds as the payor of last resort, where applicable.

This policy will be submitted to the NCDHHS at the beginning of each contract year, in compliance with the Tailored Plan Contract.

III. PROCEDURES

The Chief Executive Officer shall develop procedures to implement the provisions of this policy.
I. PURPOSE

To provide a process for the Alliance Health (Alliance) Board of Directors to develop, revise, review, approve and monitor Board policies and procedures that govern the Board of Directors and the core business of the Area Authority. The development, review, approval and maintenance of policies and procedures addressing the operations of the organization (operational policies) is delegated to the CEO, and does not require Board review or approval.

II. DEFINITIONS

Approval authority: The party or parties authorized to approve Board of Directors and Area Authority policies and procedures. The Board of Directors approves Board policies and procedures and the Chief Executive Officer approves operational policies and procedures.

Approval date: The date on which the policies and procedures have been approved by all applicable parties and become effective for use. If the effective date is different than the approval date, it shall be clearly identified on the policy or procedure. The effective date shall be a later date than the approval date. The approval date shall appear on all policies and procedures.

Board of Directors: Any use of the term Board of Directors in policies and procedures shall be deemed to include the Area Board, Area Authority, LME-MCO and other such terms used in North Carolina General Statutes.

Chief Executive Officer (CEO): The CEO is hired and evaluated by the Board of Directors and is responsible for leading and conducting the Area Authority’s business and affairs. Any use of the term CEO in policies and procedures shall be deemed to include the Area Director and other such terms used in North Carolina General Statutes.

Board policy and procedures: Documents developed and approved by the Board of Directors that provide direction to govern the Board of Directors or guidance to the Area Authority.

Operational policy and procedures: Documents developed and approved by the Chief Executive Officer that provide direction and steps for employees to follow when performing a particular function.
Review date: The date the Board policies and procedures were reviewed and approved for continued use. Operational policies and procedures review date is the date Alliance initiates the review of operational policies and procedures. Policies and procedures shall be reviewed at least annually (month year to month year) and revised as necessary.

Revision date: The date on which the policies and procedures were revised to reflect required changes in the organization’s decision-making process. Revisions may be effected at any time and it is not necessary to await the scheduled review date.

III. POLICY STATEMENT

The Board of Directors shall be responsible for the development, revision, approval, and monitoring of Board policies and procedures that govern the operation and actions of the Board of Directors and set policies to guide and provide direction to the Area Authority. Among other things, these policies may relate to the Board’s fiduciary responsibilities, monitoring and control functions, and the mission, vision and goals of the organization. Board policies and procedures must consider Federal regulations, State statutes, NC DHHS rules and contracts and other regulatory or accreditation requirements applicable to the Area Authority.

IV. PROCEDURES

Board policies and procedures for inclusion in the policy manual require Board of Directors action. Annually, the Board of Directors shall review its policies and procedures. These reviews may occur more often if required by rules, statutes, or accrediting bodies.

The Board Policy Committee shall develop, review and revise all Board of Directors policies and procedures before submission to the full Board of Directors for review and approval. Board of Directors policies and procedures affecting operations, which come under the purview of other Board Committees, shall be reviewed by those Committees and their input provided to the Board Policy Committee four weeks prior to their scheduled review. Non-substantive, grammatical revisions may be made with the approval of the Board Policy Committee.

The Chief Executive Officer (or designee) is responsible for developing a process for revising, approving and monitoring all operational policies and procedures.

<td>Rob Robinson &amp; Sara Wilson&lt;br&gt;R rob went over the TP Readiness Review. Alliance go lives Dec. 1st as a Tailored Plan. Alliance will be responsible for whole person care. The states job is to make sure Alliance is ready to go. The RFP, Request for Proposal, was last year and Alliance has been getting ready since. The desk review happened, and we documented how we would go about business, services, etc and submitted that to the state. The state then came on site to see how we would do what we said we would. It was July 26th and 27th. They asked in person questions such as what it would take to run a tailored plan. The staff/organization came out and did great. Alliance will get the results soon. &lt;br&gt; &lt;br&gt;Sara Wilson spoke about Medicaid Direct&lt;br&gt;Alliance will be managing different populations which are the tailored plan population, non-Medicaid population and the Medicaid direct population. The tailored plan pop are individuals who meet eligibility, which is significant substance use disorders, enhanced behavioral health, I/DD services, TBI, physical health, tailored care management, and pharmacy benefits. <td>SUD. Alliance will also cover care management to a subset of uninsured high needs. The NC Medicaid Direct population includes several of the population that will remain delayed, exempt, or excluded from managed care under the tailored plan. These are individuals who are dually enrolled in Medicaid/Medicare and individuals enrolled in Foster Care Medicaid. This will be a separated contract and population from Tailored Plan work. Alliance will cover Behavioral Health, I/DD, TBI, and SUD service needs. Physical health and pharmacy will be received through Medicaid Direct. Some may be eligible to receive Tailored Care Management. Tailored Care Management is someone who will manage the whole person care for the member. Next in Medicaid Transformation is redetermining the eligibility for the Tailored Plan in August 2022. August 15, 2022, Beneficiary Notices will be mailed out. <td>Brian Perkins gave a Legislature Update 2022 Appropriations ACT (HB 103/SL 2022-74). Governor Cooper signed NC General Assembly’s budget adjustment bill into law on July 11, 2022. There were some revisions to spending and revenue from the state budget enacted last year. $28 billion was the initial budget. This bill passed as an up and down vote and passed with significant bipartisan support. Some notable items are the go live date of December 1, 2022, for tailored plans. The initial tailored plan term is four years, ending December 1, 2026. Some tailored plan adjustments will be requests for the DHHS to submit to General Assembly recommendations for adjustments to capitation rates paid to LME/MCO. There will also be new opioid treatment funding. 1 million per LME/MCO with a total of 6 million shared by the 6 MCO’s. Required purchase is FDA approved medications for opioid use in jails. Some things not included in budget were Medicaid Expansion. But the leadership in house and senate are supportive. Both chambers have passed an expansion proposal. The negotiations are ongoing. The Foster Care Specialty plan and Families Specialty plan are not on the bill. Alliance discussed the core problems that are not addressed with this plan.</td>

5. CFAC FY22 Annual Report & brochure discussion

| Local CFAC Officers |
| Suggested deadline to gather information and submit to MIOSs – Aug 15 |
| Suggested deadline for submission to State – Sep 15 |

Jason Phipps has agreed to write the executive report. The Chair and CO-Chair will get together and write up the summary and submit to the liaisons. Michael suggested the submission date to get the report to the liaisons be pushed back to Sept 1st as Cumberland and Orange meets at the end of August. It will give the counties the opportunity to meet first. Marie made a motion to the turn in date to September 1st instead of August 15, 2022. Carol Conway second it. It was voted in.

Ramona went over the brochure. She shared that Doug Fuller’s team suggested that there be a card with a QR code on it to give out. Ramona reminded everyone that anything with Alliance on it must be approved. Lakeisha explained that there is a lot of information and asked if the committee could review the brochure and recommendations be given on what could be taken out or adjusted. Lakeisha asked Marie and Michael how they wanted to go about reviewing it. Marie asked for a copy to be sent. Marie and other members said that the trifold was great for those with high school education and higher. However, the card should be less wordy for those who have challenges with literacy. Jason asked to clarify if there will be two publications.

| 4. ADA Updates | Shirley Francis- ADA updated meeting information. Ms. Shirley was not present but sent Starlett the ADA updates and asked her to share them. We had our 32nd ADA Celebration August 17th. Our presenters were Shea Cleveland, Project Director, Family Resource Center, South Atlantic, Laurel Powell, Program Manager, Family Support Network of North Carolina and Dr. Michael McGuire of the Cumberland CFAC. We had a very informative presentation by Ms. Cleveland of the many programs her resource center has. They also have trainings and Webinars for families and their supporters. Ms. Powell shared with us the supports the Family Support Network offers for families in the area and around the state. Dr. McGuire spoke to us about our area CFAC and how it shares and gives support to our area families. It was a very enjoyable and informative meeting. Our last meeting of the year will be Wednesday, November 16th, 6 pm via Zoom. Hope you will be able to join us.

Trainings, information and guidance are available at the ADA Southeast Center website adasoutheast.org. This site includes information for the NC ADA State Resource Network, Southeast ADA State Affiliate and local ADA Network Affiliates.

IN Community Health and Well Being submitted a local collaboration strategy that was submitted to the state for approval. It was approved in July. There were some other items that took precedent, so it was not presented in the August Steering Committee meeting. However, it will be presented at the CFAC Retreat on September 24th. There will be a virtual option to participate in the retreat. We really want your feedback on this strategy. It is important because it is all about how we collaborate with each other, and we want to make sure that CFAC gives feedback. Lakeisha McCormick gave an overview of the stipend amount. Everyone who attends in person, you will get a flat payment of $100, virtual is $50. Ruth also briefly explained the new CFAC informational brochure will be more like a card with a QR code on it. The consumer can scan the QR and receive more information. Lakeisha explained that the card will be submitted to the Steering Committee for comments and review but that they have not officially begun working on the brochure and that we would keep the group informed of the progression. Ron Clark asked if the brochure will be available in Spanish and what the timetable is for the card. Lakeisha indicated that it is not clear what the card will have yet but that having a Spanish option is a good idea and she will pass that along. Ron noted there is a great need within the Mecklenburg Area for more bi-lingual information/dissemination. He also noted that the MCO’s in general should be hiring more Spanish speaking staff to help with the influx. Lakeisha noted that that is something Alliance is aware of and is working on. Alan McDonald asked if there are interpretation services available to our members and Lakeisha noted that there are. Ruth mentioned the idea of bringing in some community partners to help us understand our members and their populations. Shagun Gaur said that it would be good to hear about capacity/employment issues, education and to get a general knowledge of our members needs. Eileen Bennett suggested that the Autism Society of North Carolina come speak to the group in regards to our members served and the gaps within the service that may better serve our populations. Michael Flood said he thinks having community partners from different disciplines would serve the CFAC Members so they can understand all the populations served. Next order of business was voting in our last member of Mecklenburg CFAC. Ruth called for a vote for Alan McDonald. Michael made a motion to vote and Lois Stickell seconded the motion. The Yays had it and Alan was welcomed in and asked to say a few words.

Draft minutes may be submitted with the monthly Board packet. Minutes will be approved by this Committee at a later date.
### AGENDA ITEMS:
- Tailored Plan Overview/Updates

### DISCUSSION:
Aalece Pugh-Lilly gave a detailed overview of the State of North Carolina Medicaid Transformation. Referencing the NC Medicaid Fact Sheet, Aalece explained that there have been several legislative changes in the State of NC. The changes have been called “Medicaid Transformation.” These changes move the traditional pay as you go system of Medicaid to a more integrated health plans. The official Launch of the Transformation was in July 2021 with the “standard plans.” A standard plan is an integrated health plan that is not as specific as the Alliance Tailored Plan which is set to go live on December 1, 2022. Linda Campbell asked how do members know if they are on the Tailored Plan. Aalece noted that they will be sending out some paperwork in the next month from the Enrollment Broker Office that explains what each member is eligible for and how they can choose their plans. Ron Clark noted that the Enrollment Broker number is there to help members enroll in the Medicaid plans. Linda noted that this was a difficult concept for many and questioned whether just sending out the paperwork was enough. Lois Stickell asked a question in regards to Physical vs Mental Health. Aalece explained that under a tailored plan, both your physical and mental health would be managed by Alliance. Lois followed up with a question in regards to providers and if they would maintain all the same providers. Aalece noted that you can go to the Alliance website and look for the providers you are currently with. Alan McDonald asked a question in regards to Physical Care and if there were coordinated efforts to inform members of those potential changes especially in regards to providers working with Alliance. Aalece noted that there are several webinars that occur monthly that the CFAC committee as well as the general public are welcome to attend. She noted that she would have those links sent out to the Committee so they can feel free to join and indicated how informative those webinars are. Shagun asked a question in regards the letters being distributed to the members. What will be in the letters, will there be instructions about how to sign up for services, and what if the current provider is not listed? Aalece noted that Alliance will continue to contract. If your current provider is not listed then you can call Alliance and your provider to see if

they can be added. If you do not specify your provider during the enrollment period, you will be assigned a provider so it is important to get that information to the brokers.

5. 6:30-6:40pm
   - State Updates

Suzanne Thompson provided a brief description of the CEE report. She noted that any member can email her at any time if they are in need of more information from the state. She noted that DHHS was sponsoring Fireside online chats the 3rd Thursday of every month and that CFAC members were welcome to participate.

In regards to having community partners come and speak, Suzanne noted that it is important for each member to reread the Bylaws to understand what the Statue requires of them and what is expected of the CFAC for each county.

Suzanne noted that Medicaid transformation is complicated. She noted that the department has had many outreach webinars, communications to stakeholders and members to make them aware of the changes that will be coming in December. She noted that any information provided by the MCO’s in regards to the Tailored Plan or Medicaid Transformation must be approved through the state so that the information given to the public will be consistent and accurate. Suzanne also noted that the State CFAC will be on August 10th and the agenda would be going out next week.

Eileen to distribute links given by Suzanne.

<td>3. CFAC Roles and Responsibilities</td>
<td>Randy Sperling began by giving an overview of the CFAC Rules and Responsibilities. Eileen Bennett noted that the CFAC Rules and Responsibilities were pulled from the CFAC Relational Agreement that were given to the CFAC Members and noted that if anyone needed another copy that she would be happy to provide it. Randy went over several of the rules and responsibilities and their meanings. She asked for questions from the members. Linda Campbell asked a question in regard to Tailored Plan, Medical Necessity, Qualifying factors, and secondary insurance. She also asked if other LME/MCO’s come together. Aalece noted the different LME/MCO’s do come together in the State CFAC. Lakeisha noted that all State CFAC meeting information can be found on the monthly CEE update and the meetings are open to the public. Suzanne Thompson noted that the</td>

<td>4. Retreat Updates CFAC Brochure Update</td>
<td>LaKeisha McCormick gave a brief overview of the CFAC retreat. She noted that the Retreat would be held on September 24, 2022 at our home office in Morrisville, NC. The timing for non-leadership would be 11:30-4pm. Chairs and Co-Chairs would meet earlier in the day for a leadership session held from 10:30-11:30am. She noted that Eileen Bennett would be sending out a registration link to note if they are coming in person and reserve their lunch at the retreat. She encouraged everyone if they can to attend in-person. She noted there will be speakers from 12-1pm during lunch. From 1-2pm; the State will provide a CFAC Overview and presentation on Advocacy. Afterwards, each county will go into a break-out group to do some “planning activities.” Randy noted that she would encourage everyone to participate in-person and that for Mecklenburg County this will be their first CFAC Retreat and she was interested in us having a big showing. She mentioned getting Meck County lanyards for the group.</td>

<td>5. NC Autism Society Overview of Services Provided/Members Served</td>
<td>Shagun Gaur gave a 20-minute presentation on the Autism Society of North Carolina on what services they provide; a PowerPoint presentation was provided. Alan McDonald asked some follow up questions in regards to services provided by the Autism Society. Ron asked a question in regards to Autism groups within the Mecklenburg County area. Linda Campbell noted that she knows Nancy Popkin. She also asked a question in regards to Vocational Rehab and in-home service deficiencies. Aalece noted that it would be a good idea to engage local elected officials in the concerns with the shortages and service issues. Michael Flood asked if we could engage the elected officials as a CFAC Member and Suzanne Thompson clarified that engaging elected officials should be done on a private citizen level. She noted that as a CFAC member their job is to advise Alliance. She encouraged members to advocate as a resident of Mecklenburg County.</td>

<td>6. State Updates</td>
<td>Suzanne Thompson-noted that Weds night is the State CFAC meeting. The State CFAC meeting is the 2nd Weds of every month and is a hybrid. She noted that Tailored Plan letters had been sent out. She reiterated that plan choices, and primary care choices must be made or they will be chosen for the member. She encouraged the members to spread the word. She noted that the 4th Thursday of every month is a Tailored Plan Webinar. Linda Campbell asked a follow up question in regards to her current provider and how to ascertain if they are an Alliance provider. Alan McDonald asked when the choice period began and ends.</td>

<td>9. Announcements</td>
<td>Lakeisha McCormick gave some follow up information in regards to the CFAC brochure. She noted that Marie Dodson is currently making changes to the document and will provide an updated brochure to the Steering committee for review. She also noted that in regards to the CFAC Roles and Responsibilities she gave some examples of the activities that other CFAC’s were doing so that Mecklenburg County could use those as examples. Randy Sperling asked if we could modify the date of our next meeting since it would fall on a Jewish Holiday. Michael Flood made a motion to change the date of our next meeting to September 19, 2022 and Ron Clark seconded the motion. The motion carried.</td>

<td>3. Public Comment Individual/Family Challenges and Solutions</td>
<td>Jason Phipps asked a question in regard to the CFAC Brochures. Marie Dodd noted she will be condensing down the old CFAC Brochure into a more user-friendly version. She noted that Dr. McGuire requested that she help in creating a more understandable brochure to distribute and she noted she was happy to help. Marie Dodson noted that she had spoken to Bobby Dixon and that their family had been infected with the COVID-19 virus and were convalescing at home. Jason Phipps noted that he was having ongoing issues with Johnston Co. Schools and there was an issue with certificate of completion/Diploma that he was addressing. Marie noted some concerns in regard to the overall curriculum at Johnston Co. Schools and that her experiences in tutoring had given her a negative impression. Jason Phipps noted that he heard that there was a vo-tech school perhaps that may include such things as welding and so on.</td>

<td>some follow up questions in regards to the website/Tailored Plan and some general comments about its useability. He also discussed briefly the link to the providers and how may different providers we had and that some were from different catchment areas. Ramona noted that we do have some providers in counties outside our catchment. Aalece noted that currently we are “post state review.” We are now moving forward with the TP rollout. She noted the State did have some open items with Alliance that Alliance will be resolving before the EOY. Aalece thanked Jason for his input and comments on the website and TP in general. She noted that she had given his feedback to the communications team. For the handouts, she noted that the State had provided a “template” that all providers were supposed to follow in general terms. She noted the state was very interested in having the information that is distributed to the public be standardized so the messaging can be consistent. Aalece noted that Alliance is very open to feedback from all CFAC members and that the materials will be reviewed yearly so there is some latitude for modifications. She also noted that at the CFAC retreat the new handbooks will be reviewed. She was hoping the retreat could establish a formal review process for the handbooks going forward.</td>

<td>Ramona Branch noted that the CFAC Retreat will be September 24, 2022. She noted that she will need a head count of CFAC members who will be attending in-person for food purposes. She will need that information by the end of August. She also noted that if you come in-person, you will receive $100 stipend and virtually will be the $50. Ramona noted that next Thursday she will be in the Smythfield office and they will be doing badges. She noted the new MIOS will be starting that week as well. For the September meeting Ramona asked what kinds of foods would be desirable for the group for dinner? Everyone agreed easy foods such as Chic-Fil-A, pizza, or Firehouse Subs would be acceptable too. Marie noted that she loves Bernies Croissants if someone wanted to bring those. Steering Committee September Meeting will be Tuesday September 6th because of the holiday on Monday. The CFAC brochures were briefly discussed with Marie noting that she will have her changes to Ramona within the next week for her review. Aalece noted that they had found a replacement for Doug Wright and she was an internal candidate and she will begin August 22.</td>

<td>5. State Updates</td>
<td>Suzanne noted that there are links to the Enrollment Broker Events on the State page and they can be searched by County. The September update will be distributed within the next two weeks and has been formatted a bit differently. Some highlights she provided were that the COVID-State Public Health Emergency is ending in 1 week. The Federal COVID-Public Health Emergency will be ending in September. Currently there is a Federal PHE for Monkey Pox but not state specific. She noted the enrollment broker has begun mailing letters for TP and that members must reach out to choose their provider. She noted that if you do not choose, one will be assigned to you. She noted it is very important for CFAC members to help our members understand that reaching out to pick a provider is important. If they do not see their primary care on the provider lists for Alliance then the members should reach out to provider/Alliance to request. Suzanne also noted that the Pharmacy benefits will be covered beginning April 2023. State CFAC will be held in Raleigh but there is a virtual option. They are currently working on recording each session. You can subscribe to state updates personally if you like by going to their website or emailing Suzanne.</td>

<tr>
<td>6. Announcements</td>
<td>Jason Phipps asked a question in regards to the guardianship video if that had been finalized and distributed. Ramona was going to follow up with Noah to find out the specifics and report back next month. Jason/Marie asked if there were any Tailored Plan events in Johnston County they would need to attend and Ramona noted that she will keep them posted if there are any coming up.</td>

| **KEY:** | Tailored Plan-TP  
Standard Plan-SP  
Enrollment Broker-EB | | |
| **Dr. Pugh-Lilly:** | A lot transpiring to ensure that they are ready to launch December 1, 2022. CEO and Chief of Staff, Lobbyist w/ the State at Steering committee, provided great information and where Alliance is right now. State through and comprehensive review, additional feedback was provided late last week. Alliance is moving ahead w/ feedback. The state has initiated “Back Porch Chats” and information about SP and TP frequently asked questions who participate in CFAC, “Ready Set Launch” next week August 18, 2022, at 5:30pm, LIVE conversation or recorded. Medicaid Direct as well. Separate contract from the SP contract. As CFAC, welcome feedback from these meetings. Please use resources: | | |
| **High Level Questions:** | What has Alliance learned to carry forward from the SP to the TP implementation? The SP is one set of health plans, Medicaid recipients on the lower sector, whereas TP has used crisis services in a short period of time, severe behavioral issues including I/DD. The TP is the same as the SP, however, the stipulation is the chronic, severe, and persistent conditions. “…Retreat is coming up soon, and feedback would be great to share…” | | |
| | Want to ensure that families have their questions answered before they make their elections w/ TP, can there be insight on this? August 15, 2022, LME/MCO can NOT share information that is very important regarding conversion to TP (i.e., medication w/ pharmacy choices); | | |
| I.) | Will members/recipients be able to select PCP in their network? | | |
| II.) | What are the other options to make sure that there is a correct choice of specific needs? | | |

If election time period? All the answers there on August 15, 2022? Informed-Choice that people have the information before they have to make a critical choice for themselves or for their loved ones.

Enrollment Broker sending out notices to all eligible individuals. EB will have access to the in-network and TP or contact the billing office and encourage them to be in the network. If a member is eligible to enrolled in the TP, there will be an auto enrollment (based on information of services). TP is based on the option of where a member/recipient lives or their County (Co.) where their Medicaid originated from. Options about provider is NOT a choice of plans.

TP, have the option to opt-out. Can work w/ the EB to have a “move request form” as the set path for individuals if questions arise for members.

**Suzanne Thompson:** Communication between the Division, between Depts. And community stakeholders, is very important. Waiver services through TP.

Board Executive Committee Charter

Purpose:
The purpose of this charter is to develop and implement an Executive Committee of the Board of Directors (Board) in accordance with North Carolina General Statutes and Administrative Code and the Alliance Health By-Laws. The Area Authority is responsible for acting on matters that are time-sensitive between regularly scheduled board meetings.

Responsibilities:
The Executive Committee shall be responsible for the following:

1. Establish agendas for full Board of Directors meetings.
2. Act on matters that are time-sensitive between regularly scheduled board meetings.
3. Provide feedback to the CEO concerning current issues related to services, providers, staff, etc.
4. Function as the grievance committee to hear complaints regarding board member conduct and make recommendations to the full Board of Directors.
5. Fulfill other duties as set forth in the By-laws.
6. Fulfill other duties as directed by the Board of Directors.

New members shall receive orientation training regarding this charter and the following topics:

1. NC Open Meetings Law
2. Parliamentary Procedures

Annually, all members shall receive abbreviated training on this charter, NC Open Meetings Law, and Alliance parliamentary procedures as related to their responsibilities serving on the Committee and role as Committee Chairpersons.

The Committee shall meet at a minimum quarterly, however typically meets monthly prior to the next Board meeting. To enhance participation, members may participate via electronic means, e.g. telephone and video conferencing, which will be pre-arranged by the Alliance staff support person(s). Such participation includes the right to vote on issues during the course of the meeting. Notice of the time and place of every Executive Committee meeting shall be given to the members of the Executive Committee in the same manner that notice is given of Board of Directors meetings.

When quorum, which shall consist of the Chairperson plus fifty (50) percent of members, is present, the Chairperson can call the meeting to order. When a quorum is not met, no action or decision can be made and there shall be no minutes.

Committee meetings shall follow the below structure:

1. Calling the meeting to order
2. Ensuring there is a recorder and having minutes taken
3. Reviewing and approving minutes from previous meeting
4. Considering matters on the meeting agenda
5. Calling for motions, a second and voting on items when appropriate
6. Adjournment

Emergency meetings may be called for unexpected circumstances that require immediate consideration by the Committee and subject to requirements listed in NC Open Meetings Law. Any member of the Board of Directors may request that the Chairperson call an Executive Committee meeting.

Approved by Alliance Board Executive Committee on November 15, 2021.
Relationships:

Alliance shall provide staff support to the Committee, including but not limited to, collecting and analyzing information that the Committee or the Board require to fulfill the requirements of this charter and per statute. The Chief Executive Officer or designee will be the staff liaison to the Executive Committee. The Executive Committee shall report to the Board of Directors (via the Executive Committee Chairperson) at least quarterly.

Membership:

1. Makeup of the Committee

The Executive Committee shall be composed of the Board Chairperson and Vice-Chairperson, Chairpersons of standing committees (who are Board members), the immediate past Board Chairperson or at-large member in the event the immediate past Board Chairperson is not available. The Board Chairperson shall serve as the Chairperson of the Executive Committee.

Absence from three (3) consecutive regularly scheduled Board meetings without notification to the Executive Secretary shall constitute resignation from the Board. Absence from four (4) or more of the regularly scheduled Board meetings during a 12-month period may also constitute resignation from the Board within the discretion of the Executive Committee. In computing absences, absence from two (2) standing Board Committee meetings may constitutes one (1) absence from a regularly scheduled Board meeting.

2. Conflict of Interest

Committee members must disclose a conflict or the appearance of a conflict of interest and depending on the circumstances, may be prohibited from serving or restricted in voting based on the disclosure. This disclosure should be submitted on a conflict of interest form and will be reviewed by the Board Audit and Compliance Committee; the Audit and Compliance Committee will provide recommendations to the Board and/or Board Chairperson.

Furthermore, Committee members are prohibited from representing themselves as independent representatives of or act independently on behalf of the Alliance Executive Committee. Members who do not fully comply with the provisions in this charter may be subject to removal from the Committee.
ITEM: Finance Committee Report

DATE OF BOARD MEETING: October 6, 2022

Total Reinvestment: 13,039,125
1) **Contract for Smith Family BHUC, LLC**

Alliance has partnered with Mecklenburg County and the Steve Smith Family Foundation for the construction of a 24/7, 365 Behavioral Health Urgent Care facility in Charlotte. Mecklenburg County provided the first $2M. Alliance agreed to cover remaining construction costs up to $1M.

**Contract Amount:** $1,000,000

2) **Capital Investment with CASA**

This request is to fund a capital investment to create seven (7) permanent supportive housing units into a new construction project known as Kings Ridge located in Raleigh and being developed by CASA, a non-profit. This 100-unit permanent supportive housing property is the first in Wake County and will consist of studio and 1,2,3-bedroom apartments with robust on-site supportive services. Units include trauma-informed design, furnishings, and program support. All rents will be set at 30% and 50% AMI making it deeply affordable for persons whose only source of income is SSI/SSDI. King’s Ridge will target chronic homelessness among those earning less than 50% of the area median income (AMI), with an emphasis on those lower than 30% AMI. Eligible tenants will sign their own lease, Alliance is not responsible for the payment of rent. Wake County and City of Raleigh have already invested $8 million towards this project.

Through this grant funding agreement Alliance will have seven (7) set aside units which consists of 5 one bedroom and 2 two-bedroom apartments for a period of 15 years. In the event the development ceases to be used by CASA as low-income supportive housing or another event of default occurs within the first 24 months, CASA is obligated to repay 100% of the grant. A default in years three and beyond results in a prorated amount based on years and month remaining in the term.

**Contract Amount:** $1,085,000

3) **Acero Health Technologies**

Alliance Health has been working with Acero Health for IT consulting, requirements gathering, and documentation, application development, and quality assurance activities related to the BH/IDD Tailored Plan Contract requirements. Alliance needs to extend and increase the existing contract (originally dated for March 1, 2022, through February 28, 2023) through April 30, 2023. The work in this contract is focused on system analysis, the creation of detailed system design documents, application development, integrated testing activities and go-live support associated with rapidly changing system and business requirements coming directly from the Department.

The contract extension is a time and materials contract for additional hours not to exceed 10,000 hours. These hours are needed to supplement the work being done by the internal Alliance Development and Data Interoperability Staff.

Original contract approval $1,000,000 at the March 3, 2022, Finance Committee and Board meetings

**Additional contract approval $1,000,000**
