Home-delivered meals!

Innovations and TBI Waiver Members

As part of the state of North Carolina’s response to COVID-19, this service has been approved by CMS as an Appendix K flexibility.

Mom’s Meals® can help to ensure Innovations and TBI Waiver members have access to nutritious meals throughout this national emergency.

How It Works

1. Choose your meals

![Meal icon]

Select every meal, every delivery from a broad menu of nutritious meals.

2. Meal Delivery

![Delivery truck icon]

Delivered to your home or any address nationwide.

3. Store Meals

![Refrigerator icon]

Refrigerate upon arrival. Meals will last up to 14 days from delivery.

Please contact your Alliance Care Navigator for additional information.
