Prices may change at any time. Discounted price may only be available after enrolling in a "savings plan".

This resources is NOT comprehensive. All medications available through each savings plan were not included in this comparison.

*As of June 2016 **CVS and Target** halted use of a "discount list". **Sam's Club** has an "Extra Value Drug List for PLUS Members" which requires a \$100 **Sam's Club** Membership.

*As of July 2017, **Kmart** discontinued the "Pharmacy savings plus" program. **Costco** no longer provides a "Less than \$10 generic drug list" but continues to offer members a discounted price on certain prescription medications.

*As of March 2018, **Harris Teeter** halted use of a "discount list" and partnered with "Inside Rx" which provides discount coupons.

* As of April 2019 All formulations of **Ranitidine** were removed from the market for NDMA contamination

By 2019 **Rite-Aid** Rx No longer served North Carolina. By 9/2020 the website failed to show a discount drug list - however the prices remain similar based on phone query.

As of Feb 2021, **Rite Aid** Discount list was removed from this document.

As of Feb 2021, **Publix** no longer has a FREE medication list.

As of Feb 2021, **Sam's Club** medication prices are on-line look-up only (no list).
