

**Master Data List Of North Carolina Facilities Designated for the Custody and Treatment of Individuals Under Petitions for Involuntary Commitment
Pursuant to GS § 122C-252 and 10A NCAC 26C.0100**

IVC Data Updated: June 2019

Note: The following facilities and inpatient units are licensed under GS § 122C or GS § 131E and have been designated to provide treatment of psychiatric and/or chemical dependency issues. Please contact your MI/IDD/SU Local Management Entity-Managed Care Organization (LME-MCO) for assistance rather than calling the IVC facility directly. This will promote better continuity of care, both in terms of admission and discharge planning. Staff are available to assist with assessments and placements on a 24/7 basis. This posting is in compliance with S.L. 2005-371.

IVC Data Updated: June 2019

Note: The following facilities and inpatient units are licensed under GS § 122C or GS § 131E and have been designated to provide treatment of psychiatric and/or chemical dependency issues. Please contact your MI/IDD/SU Local Management Entity-Managed Care Organization (LME-MCO) for assistance rather than calling the IVC facility directly. This will promote better continuity of care, both in terms of admission and discharge planning. Staff are available to assist with assessments and placements on a 24/7 basis. This posting is in compliance with S.L. 2005-371.
