Who May Be Eligible for Innovations Waiver Services

Residents of Durham, Wake, Cumberland and Johnston counties who are age three and older and who experience a severe, lifelong disability which:

- Is the result of a mental or physical disability or a combination of both.
- Begins before the age of 22 or is caused by a traumatic brain injury before the age of 22.
- In young children may be called a developmental delay.

Children at least three years old may qualify for services. However, those younger than three may be reviewed only for the Innovations waitlist.

How Do I Get Started?

Call the Alliance Health Access and Information Center and ask to speak to an I/DD Access Specialist

(800) 510-9132

Alliance Health

This pamphlet is for individuals, their families and natural supports. It is intended to offer an overview of the services and supports available under the NC Innovations Waiver for those who qualify.

Not all services are appropriate for all waiver individuals. It is best to work with your Care Team to discuss and determine the services that are best for you.

The individual and Care Team will work together to develop the Individualized Service Plan (ISP) to make your Innovations Waiver experience beneficial.
