

## Program Description

This training program will review various forms of psychological testing to enhance awareness of measurement tools and their application.

## Presenter

**Moya Foster**, PhD, MBA has served as the Senior Psychologist for Alliance Health (formerly Alliance Behavioral Healthcare) since 2012. Dr. Foster completed her undergraduate work (BA) in psychology at The University of Michigan-Ann Arbor. She is a graduate of the school psychology doctoral program and Kenan-Flagler Business School at The University of North Carolina at Chapel Hill. Her current specialization includes case consultation, peer review, training, and cross-departmental collaboration within Alliance Health. Dr. Foster is also lead for the Alliance Scholars Affinity Group which provides a supportive network for Alliance personnel working full-time while completing college and/or graduate level coursework, staff who have graduated while working for the organization, and staff aspiring to return to school.

## Fees

This training is sponsored by Alliance Health, and registration is restricted to their staff and providers. The fee for Alliance Health contracted providers is \$20; there is no fee for Alliance Health staff.
